5 - Back Cover - Adhere *Recollect* (blue side).

After covering your front cover, add your wooden flourishes, flowers, pearls and a title. To create the title 'our' print your chosen word onto plain paper with spaces in between each letter, then cut out separately. Adhere your title.

4

For the spread shown below cut a *Hold Dear* (striped side) rectangle 13.5cm x 8cm (5½" x 3") and *Recollect* (dotted side) rectangle 11cm x 8cm (4½" x 3"). Adhere the *Hold Dear* rectangle to the left page. Add some journalling to the *Recollect* rectangle and adhere so it overlaps. Add wooden flourish, petals, pearls and title.

Adhere photo 6cm x 4cm (2½" x 1½") to the right page. Add the Love Rhinestone Word and the middle part or the Circles Rhinestone Picture. Adhere Pearls to the scallops at the top. Combine all pages together with album rings and decorate with a range of ribbons.

Hint

Capture the feel of each room in your home by journalling about a special moment that occurred there. Make sure you remember surprising quotes from family members by always having a notebook and pen nearby.
