Mini Heart Bag

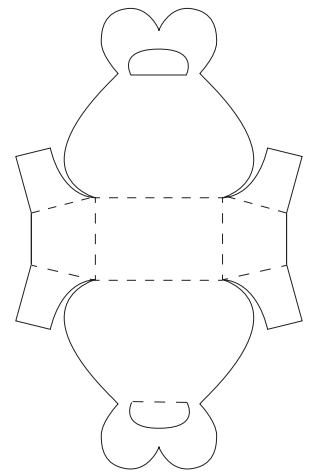

This gorgeous heart shaped bag is the perfect decoration for a little girls room, or a great gift idea for girls of any age. With such an easy template, the Mini heart bag is also the perfect birthday party take home activity.

1: Print out the Mini Heart Bag Template. Cut around the solid lines, and fold the dotted lines.

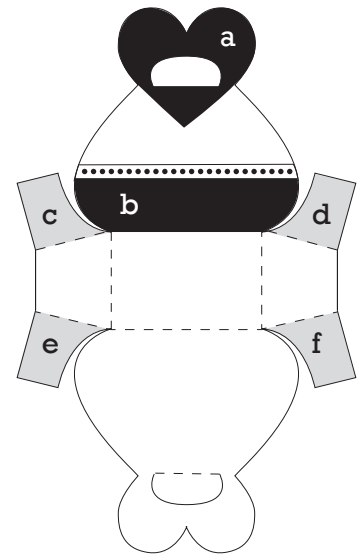

NOTE: Pattern is at A4 size, but can be photocopied or enlarged onto larger paper if you wish.

You will need to print pattern on opposite side of paper to prevent visible lines on your final Mini Heart Bag.

2: Decorate your bag-

Turn your bag onto the correct side, with the print marks downwards. With another piece of scrapbooking paper, draw a heart shape so that the top of the heart matches exactly to the handles of the bag. Shown here in black (a). Cut out the half circle and adhere to bag front. Make sure it is the handle without the folded latch as shown. Then with another piece of paper, trace around the bottom third of the bag front and finish with ribbon (b). Glue the ends of the ribbon at the back so they cannot be seen. See image below.

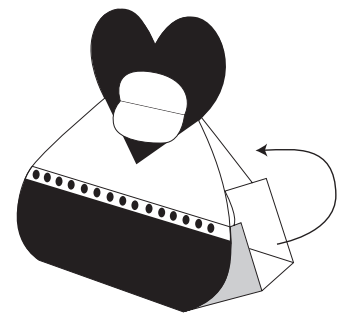

3: Glue side flaps of bag-

With bag still facing upwards, glue all 4 flaps as shown in grey. (c,d,e,f)

4: Assemble bag-

Turn bag over again, so the inside is facing upwards. Bring the Larger sides (front and back) of your bag inwards and hold at handles. Now bring the glued flaps inward and press into place. Pull latch through to front.

5: Decorate Latch-

- a) Put a large brad through a paper flower.
- b) Cut an appropriate size piece of ribbon and fold in half.
- c) Cut a piece of paper. Cut end on 45 degree angle.
- d) Poke hole approx 5mm from the bottom of the latch.
- e) Put all together and attach to latch.
