Bauble Tag Album

Covered in the gorgeous Wish Upon Paper Collection, these baubles look as delicate as the real thing! Create your own special piece to treasure.

Sand all pieces to remove any rough edges.

Cover the following-

- Tag 1 (smallest) - Front with *Sparkle* (reverse side), Back with *Star Bright*.
- Tag 2 - Front with *Star Bright* (reverse side), Back with *Twinkle* (reverse side).
- Tag 3 - Front with *Shine* (reverse side), Back with *Star Bright* (reverse side).
- Tag 4- Front with *Shine*, Back with *Star Bright*.
- Tag 5 (largest) - Front with *Twinkle*, Back with *Twinkle* (reverse side).

Swipe paint around the edges of each tag roughly.

Cut four photos to fit on the fronts of tags 2-5 and adhere centred.

Add rub-ons or journalling to the front and backs of your tags.

Cut stars from *Star Bright* and foam tape throughout the album, adding rhinestones to their centre if desired.

Embellish throughout with rhinestones, rhinestone shapes and flowers. Finish with ribbon tied to the ring.
