OTHER:

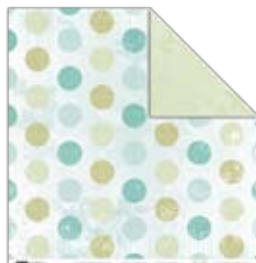

- Foam Tape
- Ribbon

SB1604 Mint

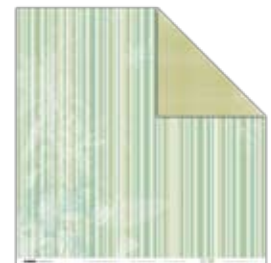

P284 Birds of Paradise

P285 Blooming

P286 Bellflower

P287 Marigold

Paint the back and edges of all the pieces of the Bay Windows with the White Kaisercolour.

1st Bay Window:

Once dry adhere *Marigold* (striped side) to the front and trim edges. Cut a 10.5cm x 8.5cm (4" x 3½") piece from *Bellflower* (teal side). Attach a 6cm x 8cm (2½" x 3") photo to the center of your *Bellflower* rectangle and attach this to your first Bay Window 4cm (1½") from the top.

Layer flowers, attach brads and pearls in the bottom right corner. Rub a flower from the Hideaway rub-ons onto the *Marigold* paper (green side) and cut it out. Attach with foam tape.

2nd Bay Window:

Adhere *Bellflower* (teal side) to the front and trim edges. Cut a 9.5cm x 8.5cm (3¾" x 3¼") rectangle from *Marigold* (striped side). Attach a 6cm x 8cm (2½" x 3") landscape photo to the center of this and attach to the window 3.5cm (1½") from the bottom. Cut a large white flower from *Bellflower* and attach with foam tape in the top left corner. Layer flowers and attach brads and pearls over this. Rub a flower from the Hideaway rub-ons onto *Marigold* (green side) and cut out. Attach with foam tape. Add a white rub-on under your photo and attach pearls.

3rd Bay Window:

Adhere *Blooming* (spotty side) to the front and trim edges. Cut a 10cm x 8cm (3¾" x 3") piece from *Marigold* (green side). Attach a 6cm x 8cm (2½" x 3") photo to the center of this and attach to your Bay Window 4cm (1½") from the top. Layer flowers and attach brads and pearls in the bottom right corner. Cut the Rhinestone Butterfly out with the backing still attached and attach over your flowers. Add a white rub-on down the left side of your photo.

To finish off your Bay Windows tie with ribbons.

Hint

A great alternative for flowers is embellishing with various sized circles. Use a circle punch to cut spots out of *Blooming* or textures out of *Birds of Paradise*, and adhere with foam tape to create depth.

Hint

Before gluing the front to the back of the clock, add ribbons.
