## Baby Booties

*How adorable are these cute little baby booties? Make from paper and embellish with some tiny pearls. They will make a sweet little addition to any newborn baby's nursery.*

UPPER BOOTIE SECTION

BOOTIE SOLE

1: Choose a plain piece of paper for the sole of the booties. Print out or trace the sole onto your peice of paper and cut 2 out.

2: Print out or trace the upper section of your booties (above) onto patterned paper, and cut on the solid lines. Cut 2 upper sections out.

3: Attaching the upper section to the sole, choose some quick drying glue and start at the middle back of the bottie. Gently gluing and pressing about 1 mm of the upper section to the sole. Continue all the way around the edges slowly.

4: Use a glue dot to hold the ankle strap together and finish with 2 small pearls or rhinestones.
