Step 1:

Cut one piece of 21.5cm x 28cm (8 ½" x 11") paper into 2.5cm (1") strips (oriented landscape so you end up with 11 strips).

Step 2:

Stack them and staple them once in the center, then fold the stack in half to form a little book.

Step 3:

Place a small piece of double sided tape at the tip of the first page. Then bend it outward toward the center and stick it down. Repeat for each page.

Step 4:

Add a little glue to the back of a brad and attach in centre of flower.

Use as a decoration around the house, on walls or tables, or hang with ribbon or string.
