Cut in closely around your doodled edge, and attach to your layout in the centre of your background sheet.

Cut a coordinating strip 30.5cm x 2cm (12" x 3/4") and attach 10cm (4") from the top edge of your background page. Print three photos to fit across your page approximately 10cm (4") in height and attach directly underneath the above edge.

Cut another rectangle 30.5cm x 4.5cm (12" x 1 1/2") and butt to the bottom edge of your photographs.

From coordinating paper, cut another strip 30.5cm x 2cm (12" x 3/4"). Doodle a scallop edge, and cut around them. Attach below the bottom edge of your photographs.

Finish your layout with some stitching. Attach your title. Embellish with wooden flourishes, pictures rhinestones and original rhinestones.
