Choose a 30.5cm x 30.5cm (12" x 12") design for your background sheet.

Choose three coordinating pieces of paper and cut three rectangles to the following measurements:

- 6cm x 28cm (2¼" x 11")
- 9.5cm x 25cm (3¾" x 10")
- 7cm x 20.5cm (2¾" x 8")

These strips can be torn at one end to give the layout a distressed effect. Adhere these in line with the bottom of the layout, overlapping roughly as illustrated.

Cut a sequence of numbers or letters to tumble down your page from the left corner to the middle. Attach a Christmas quote to sit just below your photograph. Adhere rhinestones to form a circle to embellish your photograph.

Embellish with extra brads, rhinestones and pearls to finish.
