Choose a 30.5cm x 30.5cm (12" x 12") design for your background sheet.

From a coordinating sheet of paper cut a large rectangle 18cm x 20cm (7" x 8") and tear from one upper left corner to the lower right corner to create a triangle. Attach to your layout 8cm (3") from the top edge, and 3cm (1¼") from the right edge of your background page.

Print a photograph 17.5cm x 12.5cm (7" x 5") and attach over your torn sheet of paper.

Journal your message in the top right hand corner. Attach some flowers to match your papers with a brad in the centre.

Put your title on, embellish with an extra wooden flourish and lots of rhinestones.
