## Be Mine

**KAISERCRAFT**

Choose a 30.5cm x 30.5cm (12" x 12") piece of paper for your background sheet. From a coordinating sheet, cut a 30.5cm x 9cm (12" x 3½") rectangle and attach horizontally 2.5cm (1") from the bottom edge of your page.

Cut a 20cm x 20cm (8") square and attach 3cm (1¼") from the top and right edges.

Attach a 15cm x 20cm (6" x 8") photograph 6cm (2¼") from the top and 2cm (¾") from the left edge.

Draw a 18cm (7") diameter circle. Draw a scalloped line over the circle, then another scalloped circle 2.5cm (1") inside it. Cut out by hand and attach it so it best frames your photograph.

Position your title in the bottom right corner, and journal above and below it.

Embellish with cut out shapes, flowers, brads and pearls.
