Choose a 30.5cm x 30.5cm (12" x 12") piece of cardstock. On top of this, centre a scalloped cardstock sheet 29cm x 29cm (11½" x 11½"). Punch circles to fit in the scalloped edge of your cardstock and adhere these, leaving some spaces empty. Mount some of the circles with foam tape. In the empty spaces apply some rubon designs.

Print a photograph to measure 15cm x 10cm (6" x 4") and a second photograph 7.5cm x 10cm (3" x 4"). Cut a coordinating paper rectangle 22 x 8.5cm (8¾" x 3¼") and adhere on an angle.

Cut two 8cm (3") circles from paper to match your layout. Adhere one 5cm (2") from the left edge and 4.5cm (1¾") from the top of your page. Mount your larger photograph and adhere on an angle onto your layout 1.5cm (¾") from the right of your page. Adhere your second circle just below the edge of your photo. Across the lower edge of this photograph, adhere a rectangle 23cm x 3cm (8¾" x 1¼"). Overlay your smaller photograph across the bottom left corner of your larger photograph. Finish with rhinestone words, rubons and brads.
