Choose a 30.5cm x 30.5cm (12" x 12") piece of paper for your background sheet.

Cut away a strip approximately 2cm (¾") wide from a coordinating sheet, and discard strip. Adhere this 28.5cm x 30.5cm (11¼" x 12") remaining piece onto your background page, aligned to the right. (For this paper range we chose to cut off our strip by trimming around the pattern, for extra detail.)

Cut a rectangle 21cm x 6cm (8¼" x 2½") and adhere approximately 6cm (2½") from the top of the page and 1.5cm (½") from the right.

Cut a rectangle 22.5cm x 16cm (9" x 6¼") and scallop the edges. Print a photograph 21cm x 15cm (8¼" x 6") and mat with the scalloped rectangle. Adhere this approximately 9cm (3½") from the top of the page and 2cm (¾") from the right hand side.

Cut out extra embellishments and layer on your page with foam tape. To finish, add your title and rubons. Decorate with extra pearls for sparkle.
