Choose a 30.5cm x 30.5cm (12" x 12") piece of paper for your background sheet. From coordinating sheets, cut two 26cm x 6cm (10¼" x 2¼") rectangles. Attach one vertically, angled slightly toward the right, with the upper left corner 4cm (1½") from the top and 3cm (1¼") from the left edge of your background sheet. Cut the lower edge of the second rectangle on an angle, so that the right edge is longer than the left. Attach 3cm (1¼") from the top and 6cm (2¼") from the left of your page.

Attach a 13cm x 18cm (5" x 7") photograph 5.5cm (2¼") from the top and 8cm (3¼") from the left edge.

Attach large cut out flowers around the bottom and right edges of the photograph.

Position your title over the top right corner of the photograph, then journal around the cut out shapes.

Embellish with brads.
