# Tree Tag Album

This is a great album to make to remind you of some favourite Christmas memories. Pieces can also be hung separately as decorations!

**Sand all pieces to remove any rough edges.**

Cover the following-

Small star - Front with *French Hen* (reverse side), Back with *Snow Finch* (reverse side).

Big star - Front with *Turtle Dove* (reverse side), Back with *Nightingale*.

Small Tree - Front with *Snow Finch* (reverse side), Back with *Nightingale* (reverse side).

Big tree - Front with *Snow Finch*, Back with *Turtle Dove* (reverse side).

Swipe paint around the edges of each tag roughly.

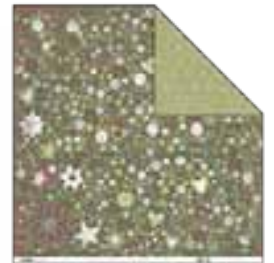

For the small star tag cut out a small and a large star shape from *French Hen* and layer them together with foam tape.

Cut out the dove from *Turtle Dove*, rub on the word Peace and embellish with cut out images and rhinestones, using foam tape for a raised effect. Slightly bend the wings and tail by rubbing your fingernails over them making it look like it is just about to fly off. Add to the bottom of the small tree tag with foam tape, making sure it is low enough sit below the large star tag when closed.

Embellish with more cut outs, rub-ons, ribbon and rhinestones. If you prefer, add a photo to the large tree tag.
